A BRIDGE FROM HOMELESSNESS

# LEAVING A GIFT IN MEMORY TO THE BRIDGE TRUST

*Leaving a gift to The Bridge Trust will  
help to transform the lives of many  
homeless people in our community*

**The Bridge Trust has been transforming lives for over 25 years, by providing quality accommodation and support services for single homeless adults in your local community.**

## **Our Vision**

We work to alleviate homelessness by giving people the opportunity to have a home.

## **Our Mission**

Founded on Christian Principles, we provide single, homeless, adults with the best accommodation, support and related services that will empower them to move on into independent living.

Our aim is one of Christian compassion, dedication and determination, underpinned by the conviction that no one should be without a safe and secure home.

The Trust has room for 23 people at any one time split among five properties. While with us residents receive the vital one to one support they need to address issues they may have and to enable them to move on to independence.

To do this it costs us £450,000 per year.

A gift in your Will of any size would allow us to continue to provide these life-changing services and provide a long term solution to homelessness.

## **A Gift in Memoriam**

People often choose to donate to a charity in memory of a loved one in place of sending floral tributes. If you do choose to collect donations at a funeral, we can provide some donation envelopes upon request.

Alternatively you can create a tribute page online, either with

### **JustGiving:**

[www.justgiving.com/en/in-memory](http://www.justgiving.com/en/in-memory)

or

### **Virgin Money Giving:**

[uk.virginmoneygiving.com/giving](http://uk.virginmoneygiving.com/giving)

A tribute page is a place where people can leave personal tributes and photographs. Your family and friends can add their own tributes and donate in memory of your loved one.

***“I have had many periods of homelessness, and for the first time, due to The Bridge Trust I have a reason to get up in the mornings.”***
