

## Autumn 2019

Welcome to our Prayer Letter, which we issue at the same time as our quarterly Bridge Bulletins. If you would rather not receive this please do let us know.

### Thank you all, as ever, for your continuing faithfulness in prayer

As a small, local charity we need all the support we can get and when we think of support we often think of finance. As important as this may be, at The Bridge Trust we never forget that our work over the past 30 years has been constantly underpinned by prayer; we couldn't do what we do without Him.

#### *Please pray for:*

Those sleeping rough in our community throughout these next months especially as there is talk of a particularly severe winter this year.

For our staff team - particularly the Support Team who work with our clients each day and have had to work with reduced capacity whilst we await decisions about our support contract funding.

That the management and Board of the Trust be led by God's will in their deliberations, discussions and decisions about the future of our work

#### *And give thanks for:*

The wonderful opportunity for the Trust to have a new house in Tonbridge; that we know that this is God given and that He will bless this new venture and uphold all who will benefit from having this as their home.

*“Lord I crawled across the barrenness to you with my empty cup uncertain in asking any small drop of refreshment. If only I had known you better I'd have come running with a bucket.”  
(Nancy Spiegelberg)*
