

BRIDGE PRAYER LETTER

A BRIDGE FROM HOMELESSNESS

BRIDGE
TRUST 

AUTUMN 2020

Welcome to our Prayer Letter, which we issue at the same time as our quarterly Bridge Bulletins. If you would rather not receive this please do let us know.

Well, the Covid crisis still seems to be with us after many months, but God still provides and sustains throughout and we give thanks for His presence in this situation.

Give thanks for:

The fact that no Bridge Trust staff or residents have caught the virus.

His faithfulness in us and our work as we have adapted and changed to allow us to continue to support so many vulnerable homeless people.

For our supporters as we rely on them more and more to fund our work as other income streams reduced.

New opportunities to help local homeless people, even though our finances and resources are lower than before.

Please pray for:

An end to this pandemic, throughout the world

Decisions by the country's and local authority leaders as they decide how to help those street homeless people who were put into temporary accommodation during the crisis; we pray they do not find themselves on the streets all over again.

A successful partnership between the Trust and Tunbridge Wells Borough Council in the provision of more properties for the homeless; please pray that He provides us the right places at the right time and the finances to see this project a success.

The new residents we have taken into our new house, Hilden House, in Tonbridge; that they find this a great place to re-build their lives.

The staff of The Bridge Trust as tiredness with the crisis sets in; that we are all sustained and encouraged by God's love.

"O God of Creation, you have blessed us with the changing of the seasons. As we welcome the autumn months, may the earlier setting of the sun remind us to take time to rest. May the brilliant colours of the leaves remind us of the wonder of your creation."
