

BRIDGE PRAYER LETTER

A BRIDGE FROM HOMELESSNESS

BRIDGE
TRUST 

Winter 2020

Welcome to our Prayer Letter, which we issue at the same time as our quarterly Bridge Bulletins. If you would rather not receive this please do let us know.

Covid very much remains with us at this time and many may feel the restrictions more acutely this time of year. We pray that God will continue to be with us all throughout this situation and pray that vaccines will start to ease things soon.

Give thanks for:

The Bridge Trust staff and residents staying free from the virus.

A couple of months between heightened restrictions which allowed us to move people on and take more homeless people into our accommodation.

For the opening of our new house in Tonbridge which is now occupied.

The continued forbearance of our staff, working under difficult conditions.

God's healing presence amongst our clients, which has led them to us so we can help them re-build their lives.

The speed and ease of us finding more properties to allow Tunbridge Wells Council house more homeless people

Please pray for:

An end to this pandemic and the effectiveness of the vaccine and its availability to all.

Central and local government as they start work on relocating those street homeless people taken into temporary accommodation during the pandemic.

Each one of our residents; that they may find comfort and friendship during the isolation this pandemic has forced.

That the Trust is successful in finding an additional Supported Housing Officer so we can support more people.

Our trustee board as they continue to watch-over and guide the Trust in our journey and for their decisions they make in the interest of homeless people in our region, long into the future.

Jesus looked at them and said, "With man this is impossible, but with God all things are possible"

Matthew 19:26
