

BRIDGE PRAYER LETTER

A BRIDGE FROM HOMELESSNESS

BRIDGE
TRUST 

Winter 2020

Welcome to our Prayer Letter, which we issue at the same time as our quarterly Bridge Bulletins. If you would rather not receive this please do let us know.

Covid very much remains with us at this time and and we must all remember to continue to pray for recovery as we head towards colder weather. We remember the people we knew who we have lost and pray for those we know who may become ill, especially those who are vulnerable though other underlying health conditions.

Give thanks for:

The Bridge Trust staff and residents who continue to stay free from the virus.

The continued forbearance of our staff who continue to work under difficult conditions.

God's healing presence amongst our clients, which has led them to us so we can help them re-build their lives.

The Trust being able to purchase three flats for the use of Tunbridge Wells Borough Council to house more homeless people through their Housing First scheme.

The ease of passage through the work undertaken to lead the Trust towards a merger with YMCA West Kent.

Please pray for:

An end to this pandemic and the effectiveness of the vaccines.

Our plans to merge our service into YMCA West Kent, the leaders of both the Trust and YMCA and for the staff who will need to transfer to YMCA when the merger takes place.

For our move out of our office in Quarry Hill Road and into YMCA's office in Vale Rise in Tonbridge.

The three trustees who will transfer to the YMCA Board to look after the interests of the Trust, our staff and our beneficiaries.

The CEO of YMCA and their senior management team who will need to integrate the Trust's services into their own organisation and manage our team and their work into the future.

“Remember not the former things, nor consider the things of old. Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert.”

Isaiah 43: 18-19
